## PROFESSIONAL EXPERIENCE

### Software Architect dti digital

📅 02/2021 – 03/2023 📍 BELO HORIZONTE, BRAZIL

- As a software architect I worked building and designing large-scale business systems, ensuring scalability, security, reliability and performance.
- I worked on cloud-based and on-premise systems. Helping the team to implement the devops and devsecops culture, in addition to technical challenges.

### Software Engineer Open

📅 02/2018 – 11/2019 📍 BELO HORIZONTE, BRAZIL

- Developed and implemented a scalable and efficient software solution, resulting in better system performance and reducing processing time by 30%.
- Led a team of 5 developers to successfully deliver a complex mobile application within the specified timeline.
- Conducted thorough code reviews and implemented best coding practices.

### Software Engineer Instituto de Protesto-MG

📅 12/2016 – 02/2018 📍 BELO HORIZONTE, BRAZIL
